

# Grumpy's Grumblings

**October 8, 2012.** October 3-7, inclusive (events #227-#231). Grumble, grumble, toil and tumble... Shakespeare I ain't, but some of these guys are like poetry in motion.

What a strange phenomenon as well — five events, and 15 different stars glittered like gold. A sight to behold!

Speaking of stars and a sight to behold, the scene is set: eQuinelle. Sunny with a chance? Hole #3, he places and addresses the ball, sets his sights, and swings. It soars, and keeps on going. Can you say ACE? Sunny cans it, goes 2-0, gets the low round of the day and buys the Slammers a round of drinks. Sunny with a smile!

We will begin the opening stanza with Tour Championship (TC) news — 'As It Happens':

**TC Open:** Chef ignited and smoked Woodsy out of the forest to advance to the finals. Great match play.

**Promedia B TC:** Popeye sailed in, lit his pipe, took a few puffs and beat Chubs 3&2 to win the title. Congrats Sailor boy, spinach all around as you dock at #2.

**Ladies TC-C:** Precious doused Aqua to be crowned the 3rd Tour Champion thus far.

**Super Senior TC:** Chubs advanced to the final duel against Rexall after he threw down the gauntlet, jousted with the Davestator and arose victorious.

**TC D:** RedDog wasn't barking up a tree when he nipped at HELFM's heels, sending him yelping. Pommie turned the corner and challenged RedDog to a semi final match, sending him chasing his tail. Pommie bared his teeth and set off to find his final challengers.

**Parent-Child TC:** *Mother and child reunion* (ToothFairy & Nolanator) *were only a motion away* as they triumphed over Billiards & Stevie Ray to advance to the finals.

The EG Wind-Up took place at Gatineau on October 6th where 68 Slammers Slammed! So did Mother Nature. She dealt up some hail, rain and gusting winds and the beat went on.

From hand warmers to fortified coffee, umbrellas and rain pants, they pulled out all stops to make this an awesome event — and nine champions were crowned at the end of the night.
